

We are currently looking for a various wood burning stoves to furnish the historic buildings at the Ukrainian Cultural Heritage Village. We are looking for a Gem stove and Neilson Moffat stove that look like the one shown above. We also require other specific wood-burning stoves that pre-date 1930.

Examples include:

- Small wood-burning “Gem” cook stove (no water reservoir or warming closet)
- Wood-burning stoves with warming closet and water reservoir – black with nickel trim (pre-1930)
- Neilson Moffat cook stove
